ACRE Basic Employment Services Certificate Training - Virtual Classroom

CIS now offers ACRE Training in a Virtual Classroom, designed to replicate the engaging experience and networking opportunities professionals enjoy in our face-to-face sessions.

The 40-hour training provides an overview of the wide range of skills and knowledge needed to be a successful employment support professional, including:

- Application of Core Values and Principles to Practice
- Individualized Assessment and Career Planning
- Community Research and Job Development
- Workplace and Related Supports
